

French/Tuohy Memorial Garden

The memorial garden was completed in the fall of 2010. Built with funds from friends and families as well as FOL monies, this garden honors two very special community members Steve French and Denise Tuohy.

Steve and Denise were committed to Ophir School, the community, and had a passion for books and life-long learning. What a perfect way to celebrate and honor them!

I would like to contribute to the French/Tuohy Memorial garden maintenance.

Annual/Perennial \$10 Shrub or Bush \$25 Maintenance \$50 Other_____
